(b) The Legislature finds and declares that this section is declaratory of the existing law and sets forth the intent of the Legislature regarding the Uniform Disposition of Unclaimed Property Act (Chapter 1809, Statutes of 1959) and all amendments thereto and revisions thereof. Any opinions, rulings, orders, judgments, or other statements to the contrary by any court are erroneous and inconsistent with the intent of the Legislature.

(c) It is the intent of the Legislature that property owners be reunited with their property. In making changes to the unclaimed property program, the Legislature intends to adopt a more expansive notification program that will provide all of the following:

(1) Notification by the state to all owners of unclaimed property prior to escheatment.

(2) A more expansive post-escheatment policy that takes action to identify those owners of unclaimed property.

(3) A waiting period of not less than seven years from delivery of property to the state prior to disposal of any unclaimed property deemed to have no commercial value.

§1503. Property Not Subject to Old Act

(a) As used in this section:

(1) "Old act" means this chapter as it existed prior to January 1, 1969.

(2) "New act" means this chapter as it exists on and after January 1, 1969.

(3) "Property not subject to the old act" means property that was not presumed abandoned under the old act and would never have been presumed abandoned under the old act had the old act continued in existence on and after January 1, 1969, without change.

(b) The holder is not required to file a report concerning, or to pay or deliver to the Controller, any property not subject to the old act if an action by the owner against the holder to recover that property was barred by an applicable statute of limitations prior to January 1, 1969.

(c) The holder is not required to file a report concerning, or to pay or deliver to the Controller, any property not subject to the old act, or any property that was not required to be reported under the old act, unless on January 1, 1969, the property has been held by the holder for less than the escheat period. "Escheat period" means the period referred to in Sections 1513 to 1521, inclusive, of the new act, whichever is applicable to the particular property.

Nothing in this subdivision affects or limits the right of the State Controller to recover such property from the other state.

§1505. Continued Existence of Provision of Old Law to File Report with State Controller

This chapter does not affect any duty to file a report with the State Controller or to pay or deliver any property to him that arose prior to January 1, 1969, under the provisions of this chapter as it existed prior to January 1, 1969. Such duties may be enforced by the State Controller, and the penalties for failure to perform such duties may be imposed, under the provisions of this chapter as it existed prior to January 1, 1969. §1513. When Property Held by Business Association Escheats to State

(a) Subject to Sections 1510 and 1511, the following property held or owing by a business association escheats to this state:

(1) (A) Except as provided in paragraph (6), any demand, savings, or matured time deposit, or account subject to a negotiable order of withdrawal, made with a banking organization, together with any interest or dividends thereon, excluding, from demand deposits and accounts subject to a negotiable order of withdrawal only, any reasonable service charges that may lawfully be withheld and that do not, where made in this state, exceed those set forth in schedules filed by the banking organization from time to time with the Controller, if the owner, for more than three years, has not done any of the following:

(i) Increased or decreased the amount of the deposit, cashed an interest check, or presented the passbook or other similar evidence of the deposit for the crediting of interest.

(ii) Corresponded electronically or in writing with the banking organization concerning the deposit.

(iii) Otherwise indicated an interest in the deposit as evidenced by a memorandum or other record on file with the banking organization.

For purposes of this

subparagraph, "communications" includes account statements or statements required under the internal revenue laws of the United States.

(C) No banking organization may discontinue any interest or dividends on any savings deposit because of the inactivity contemplated by this section.

(2) (A) Except as provided in paragraph (6), any demand, savings, or matured time deposit, or matured investment certificate, or account subject to a negotiable order of withdrawal, or other interest in a financial organization or any deposit made therewith, and any interest or dividends thereon, excluding, from demand deposits and accounts subject to a negotiable order of withdrawal only, any reasonable service charges that may lawfully be withheld and that do not, where made in this state, exceed those set forth in schedules filed by the financial organization from time to time with the Controller, if the owner, for more than three years, has not done any of the following:

(i) Increased or decreased the amount of the funds or deposit, cashed an interest check, or presented an appropriate record for the crediting of interest or dividends.

(ii) Corresponded electronically or in writing with the financial organization concerning the funds or deposit.

(iii) Otherwise indicated an interest in the funds or deposit as evidenced by a memorandum or other record on file with the financial organization.

(B) A deposit or account shall not, however, escheat to the state if, during the previous three years, the owner has owned another deposit or account with the financial organization or the owner has owned an individual retirement account or funds held by the financial organization under a retirement plan for self-employed individuals or a similar account or plan established pursuant to the internal revenue laws of the United States or the laws of this state, as described in paragraph (6), and, with respect to that deposit, account, or plan, the owner has done any of the acts described in clause (i), (ii), or (iii) of subparagraph (A), and the financial organization has communicated electronically or in writing with the owner, at the address to which communications regarding that deposit, account, or plan are regularly sent, with regard to the deposit or account that would otherwise escheat under subparagraph (A). For purposes of this subparagraph, "communications" includes account statements or statements required under the internal revenue laws of the United States.

(C) No financial organization may discontinue any interest or dividends on any funds paid toward purchase of shares or other interest, or on any deposit, because of the inactivity contemplated by this section.

(3) Any sum payable on a travelers check issued by a business association that has been outstanding for more than 15 years from the date of its issuance, if the owner, for more than 15 years, has not corresponded in writing with the business association concerning it, or otherwise indicated an interest as evidenced by a memorandum or other record on file with the association.

(4) Any sum payable on any other written instrument on which a banking or financial organization is directly liable, including, by way of illustration but not of limitation, any draft, cashier's check, teller's check, or certified check, that has been outstanding for more than three years from the date it was payable, or from the date of its issuance if payable on demand, if the owner, for more than three years, has not corresponded electronically or in writing with the banking or financial organization concerning it, or otherwise indicated an interest as evidenced by a memorandum or other record on file with the banking or financial organization.

(5) Any sum payable on a money order issued by a business association, including a banking or financial organization, that has been outstanding for more than seven years from the date it was payable, or from the date of its issuance if payable on demand, excluding any reasonable service charges that may lawfully be withheld and that do not, when made in this state, exceed those set forth in schedules filed by the business association from time to time with the Controller, if the owner, for more than seven years, has not corresponded electronically or in writing with the business association, banking, or financial organization concerning it, or otherwise indicated an interest as evidenced by a memorandum or other record on file with the business association. For the purposes of this subdivision, "reasonable service charge" means a service charge that meets all of the following requirements:

- (A) It is uniformly applied to all of the issuer's money orders.
- (B) It is clearly disclosed to the purchaser at the time of purchase and to the recipient of the money order.
- (C) It does not begin to accrue until three years after the purchase date, and it stops accruing after the value of the money order escheats.
- (D) It is permitted by contract between the issuer and the purchaser.
- (E) It does not exceed 25 cents (\$0.25) per month or the aggregate amount of twenty-one dollars (\$21).
- (6) (A) Any funds held by a business association in an individual retirement account or under a retirement plan for self-employed individuals or similar account or plan established pursuant to the internal revenue laws of the United States or of this state, if the owner, for more than three years after the funds become payable or distributable, has not done any of the following:
 - (i) Increased or decreased the principal.
 - (ii) Accepted payment of principal or income.
 - (iii) Corresponded electronically or in writing concerning the property or otherwise indicated an interest.
- (B) Funds held by a business association in an individual retirement account or under a retirement plan for self-employed individuals or a similar account or plan created pursuant to the internal revenue laws of the United States or the laws of this state shall not escheat to the state if, during the previous three years, the owner has owned another such account, plan, or any other deposit or account with the business association and, with respect to that deposit, account, or plan, the owner has done any of the acts described in clause (i), (ii), or (iii) of subparagraph (A), and the business association has communicated electronically or in writing with the owner, at the address to which communications regarding that deposit, account, or plan are regularly sent, with regard to the account or plan that would otherwise escheat under subparagraph (A). For purposes of this subparagraph, "communications" includes account statements or statements required under the internal revenue laws of the United States.
- (C) These funds are not payable or distributable within the meaning of this subdivision unless either of the following is true:
 - (i) Under the terms of the account or plan, distribution of all or a part of the funds would then be mandatory.
 - (ii) For an account or plan not subject to mandatory distribution requirement under the internal revenue laws of the United States or the laws of this state, the owner has attained 70¹/₂ years of age.
- (7) Any wages or salaries that have remained unclaimed by the owner for more than one year after the wages or salaries become payable.
- (b) For purposes of this section "service charges" means service charges imposed because of the inactivity contemplated by this section.
- (c) A holder shall, commencing on or before January 1, 2018, regard the following transactions that are initiated electronically and are reflected in the books and records of the banking or financial organization as evidence that an owner has increased or decreased the amount of the funds or deposit in an account, for purposes of paragraphs (1) and (2) of subdivision (a):
 - (1) A single or recurring debit transaction authorized by the owner.
 - (2) A single or recurring credit transaction authorized by the owner.
 - (3) Recurring transactions authorized by the owner that represent payroll deposits or deductions.
 - (4) Recurring credits authorized by the owner or a responsible party that represent the deposit of any federal benefits, including social security benefits, veterans' benefits, and pension payments.

§1513.5. Notice of Escheat Given by Banking or Financial Organization

- (a) Except as provided in subdivision (c), if the holder has in its records an address for the apparent owner, which the holder's records do not disclose to be inaccurate, every banking or financial organization shall make reasonable efforts to notify any owner by mail or, if the owner has consented to

electronic notice, electronically, that the owner's deposit, account, shares, or other interest in the banking or financial organization will escheat to the state pursuant to clause (i), (ii), or (iii) of subparagraph (A) of paragraph (1), (2), or (6) of subdivision (a) of Section 1513. The holder shall give notice either:

(1) Not less than two years nor more than two and one-half years after the date of last activity by, or communication with, the owner with respect to the account, deposit, shares, or other interest, as shown on the record of the banking or financial organization.

(2) Not less than 6 nor more than 12 months before the time the account, deposit, shares, or other interest becomes reportable to the Controller in accordance with this chapter.

(b) The notice required by this section shall specify the time that the deposit, account, shares, or other interest will escheat and the effects of escheat, including the necessity for filing a claim for the return of the deposit, account, shares, or other interest. The face of the notice shall contain a heading at the top that reads as follows: "THE STATE OF CALIFORNIA REQUIRES US TO NOTIFY YOU THAT YOUR UNCLAIMED PROPERTY MAY BE TRANSFERRED TO THE STATE IF YOU DO NOT CONTACT US," or substantially similar language. The notice required by this section shall, in boldface type or in a font a minimum of two points larger than the rest of the notice, exclusive of the heading, (1) specify that since the date of last activity, or for the last two years, there has been no owner activity on the deposit, account, shares, or other interest; (2) identify the deposit, account, shares, or other interest by number or identifier, which need not exceed four digits; (3) indicate that the deposit, account, shares, or other interest is in danger of escheating to the state; and (4) specify that the Unclaimed Property Law requires banking and financial organizations to transfer funds of a deposit, account, shares, or other interest if it has been inactive for three years. It shall also include a form, as prescribed by the Controller, by which the owner may declare an intention to maintain the deposit, account, shares, or other interest. If that form is filled out, signed by the owner, and returned to the banking or financial organization, it shall satisfy the requirement of clause (iii) of subparagraph (A) of paragraph (1), clause (iii) of subparagraph (A) of paragraph (2), or clause (iii) of subparagraph (A) of paragraph (6) of subdivision (a) of Section 1513. In lieu of returning the form, the banking or financial organization may provide a telephone number or other electronic means to enable the owner to contact that organization. The contact, as evidenced by a memorandum or other record on file with the banking or financial organization, shall satisfy the requirement of clause (iii) of subparagraph (A) of paragraph (1), clause (iii) of subparagraph (A) of paragraph (2), or clause (iii) of subparagraph (A) of paragraph (6) of subdivision (a) of Section 1513. If the deposit, account, shares, or other interest has a value greater than two dollars (\$2), the banking or financial organization may impose a service charge on the deposit, account, shares, or other interest for this notice in an amount not to exceed the administrative cost of mailing or electronically sending the notice and form and in no case to exceed two dollars (\$2).

(c) Notice as provided by subdivisions (a) and (b) shall not be required for deposits, accounts, shares, or other interests of less than fifty dollars (\$50), and, except as provided in subdivision (b), no service charge may be made for notice on these items.

(d) In addition to the notices required pursuant to subdivision (a), the holder may give additional notice as described in subdivision (b) at any time between the date of last activity by, or communication with, the owner and the date the holder transfers the deposit, account, shares, or other interest to the Controller.

(e) At the time a new account is opened with a banking or financial organization, the organization shall provide a written notice to the person opening the account informing the person that his or her property may be transferred to the appropriate state if no activity occurs in the account within the time period specified by state law. If the person opening the account has consented to electronic notice, that notice may be provided electronically.

§1514. Safe Deposit Box

(a) The contents of, or the proceeds of sale of the contents of, any safe deposit box or any other safekeeping repository, held in this state by a business association, escheat to this state if unclaimed by

the owner for more than three years from the date on which the lease or rental period on the box or other repository expired, or from the date of termination of any agreement because of which the box or other repository was furnished to the owner without cost, whichever last occurs.

(b) If a business association has in its records an address for an apparent owner of the contents of, or the proceeds of sale of the contents of, a safe deposit box or other safekeeping repository described in subdivision (a), and the records of the business association do not disclose the address to be inaccurate, the business association shall make reasonable efforts to notify the owner by mail, or, if the owner has consented to electronic notice, electronically, that the owner's contents, or the proceeds of the sale of the contents, will escheat to the state pursuant to this section. The business association shall give notice not less than 6 months and not more than 12 months before the time the contents, or the proceeds of the sale of the contents, become reportable to the Controller in accordance with this chapter.

(c) The face of the notice shall contain a heading at the top that reads as follows: "THE STATE OF CALIFORNIA REQUIRES US TO NOTIFY YOU THAT YOUR UNCLAIMED PROPERTY MAY BE TRANSFERRED TO THE STATE IF YOU DO NOT CONTACT US," or substantially similar language. The notice required by this subdivision shall specify the date that the property will escheat and the effects of escheat, including the necessity for filing a claim for the return of the property. The notice required by this section shall, in boldface type or in a font a minimum of two points larger than the rest of the notice, exclusive of the heading, do all of the following:

- (1) Identify the safe deposit box or other safekeeping repository by number or identifier.
- (2) State that the lease or rental period on the box or repository has expired or the agreement has terminated.
- (3) Indicate that the contents of, or the proceeds of sale of the contents of, the safe deposit box or other safekeeping repository will escheat to the state unless the owner requests the contents or their proceeds.
- (4) Specify that the Unclaimed Property Law requires business associations to transfer the contents of, or the proceeds of sale of the contents of, a safe deposit box or other safekeeping repository to the Controller if they remain unclaimed for more than three years.
- (5) Advise the owner to make arrangements with the business association to either obtain possession of the contents of, or the proceeds of sale of the contents of, the safe deposit box or other safekeeping repository, or enter into a new agreement with the business association to establish a leasing or rental arrangement. If an owner fails to establish such an arrangement prior to the end of the period described in subdivision (a), the contents or proceeds shall escheat to this state.

(d) In addition to the notice required pursuant to subdivision (b), the business association may give additional notice in accordance with subdivision (c) at any time between the date on which the lease or rental period for the safe deposit box or repository expired, or from the date of the termination of any agreement, through which the box or other repository was furnished to the owner without cost, whichever is earlier, and the date the business association transfers the contents of, or the proceeds of sale of the contents of, the safe deposit box or other safekeeping repository to the Controller.

(e) The contents of, or the proceeds of sale of the contents of, a safe deposit box or other safekeeping repository shall not escheat to the state if, as of June 30 or the fiscal yearend next preceding the date on which a report is required to be filed under Section 1530, the owner has owned, with a banking organization providing the safe deposit box or other safekeeping repository, any demand, savings, or matured time deposit, or account subject to a negotiable order of withdrawal, which has not escheated under Section 1513 and is not reportable under subdivision (d) of Section 1530.

(f) The contents of, or the proceeds of sale of the contents of, a safe deposit box or other safekeeping repository shall not escheat to the state if, as of June 30 or the fiscal yearend next preceding the date on which a report is required to be filed under Section 1530, the owner has owned, with a financial organization providing the safe deposit box or other safekeeping repository, any demand, savings, or matured time deposit, or matured investment certificate, or account subject to a negotiable order of withdrawal, or other interest in a financial organization or any deposit made therewith, and any interest or

dividends thereon, which has not escheated under Section 1513 and is not reportable under subdivision (d) of Section 1530.

(g) The contents of, or the proceeds of sale of the contents of, a safe deposit box or other safekeeping repository shall not escheat to the state if, as of June 30 or the fiscal yearend next preceding the date on which a report is required to be filed under Section 1530, the owner has owned, with a banking or financial organization providing the safe deposit box or other safekeeping repository, any funds in an individual retirement account or under a retirement plan for self-employed individuals or similar account or plan pursuant to the internal revenue laws of the United States or the income tax laws of this state, which has not escheated under Section 1513 and is not reportable under subdivision (d) of Section 1530.

(h) In the event the owner is in default under the safe deposit box or other safekeeping repository agreement and the owner has owned any demand, savings, or matured time deposit, account, or plan described in subdivision (e), (f), or (g), the banking or financial organization may pay or deliver the contents of, or the proceeds of sale of the contents of, the safe deposit box or other safekeeping repository to the owner after deducting any amount due and payable from those proceeds under that agreement. Upon making that payment or delivery under this subdivision, the banking or financial organization shall be relieved of all liability to the extent of the value of those contents or proceeds.

(i) For new accounts opened for a safe deposit box or other safekeeping repository with a business association on and after January 1, 2011, the business association shall provide a written notice to the person leasing the safe deposit box or safekeeping repository informing the person that his or her property, or the proceeds of sale of the property, may be transferred to the appropriate state upon running of the time period specified by state law from the date the lease or rental period on the safe deposit box or repository expired, or from the date of termination of any agreement because of which the box or other repository was furnished to the owner without cost, whichever is earlier.

(j) A business association may directly escheat the contents of a safe deposit box or other safekeeping repository without exercising its rights under Article 2 (commencing with Section 1630) of Chapter 17 of Division 1 of the Financial Code.

§1515. Funds Held by Life Insurance Corporations

(a) Subject to Section 1510, funds held or owing by a life insurance corporation under any life or endowment insurance policy or annuity contract which has matured or terminated escheat to this state if unclaimed and unpaid for more than three years after the funds became due and payable as established from the records of the corporation.

(b) If a person other than the insured or annuitant is entitled to the funds and no address of that person is known to the corporation or if it is not definite and certain from the records of the corporation what person is entitled to the funds, it is presumed that the last known address of the person entitled to the funds is the same as the last known address of the insured or annuitant according to the records of the corporation. This presumption is a presumption affecting the burden of proof.

(c) A life insurance policy not matured by actual proof of the death of the insured according to the records of the corporation is deemed to be matured and the proceeds due and payable if:

(1) The insured has attained, or would have attained if he or she were living, the limiting age under the mortality table on which the reserve is based.

(2) The policy was in force at the time the insured attained, or would have attained, the limiting age specified in paragraph (1).

(3) Neither the insured nor any other person appearing to have an interest in the policy has, within the preceding three years, according to the records of the corporation (i) assigned, readjusted, or paid premiums on the policy, (ii) subjected the policy to loan, or (iii) corresponded in writing with the life insurance corporation concerning the policy.

(d) Any funds otherwise payable according to the records of the corporation are deemed due and payable although the policy or contract has not been surrendered as required.

Property distributable in the course of a demutualization or related reorganization of an insurance company is deemed abandoned as follows:

(a) On the date of the demutualization or reorganization, if the instruments or statements reflecting the distribution are not mailed to the owner because the address on the books and records for the holder is known to be incorrect.

(b) Two years after the date of the demutualization or reorganization, if instruments or statements reflecting the distribution are mailed to the owner and returned by the post office as undeliverable and the owner has done neither of the following:

(1) Communicated in writing with the holder or its agent regarding the property.

(2) Otherwise communicated with the holder or its agent regarding the property as evidenced by a memorandum or other record on file with the holder or its agent.

(c) Three years after the date of the demutualization or reorganization, if instruments or statements reflecting the distribution are mailed to the owner and not returned by the post office as undeliverable and the owner has done neither of the following:

(1) Communicated in writing with the holder or its agent regarding the property.

(2) Otherwise communicated with the holder or its agent regarding the property as evidenced by a memorandum or other record on file with the holder or its agent.

§1516. When Dividends, Profits, Interest, Etc., Escheat to State; Notice to Owner That Interest Will Escheat

(a) Subject to Section 1510, any dividend, profit, distribution, interest, payment on principal, or other sum held or owing by a business association for or to its shareholder, certificate holder, member, bondholder, or other security holder, or a participating patron of a cooperative, who has not claimed it, or corresponded in writing with the business association concerning it, within three years after the date prescribed for payment or delivery, escheats to this state.

(b) Subject to Section 1510, any intangible interest in a business association, as evidenced by the stock records or membership records of the association, escheats to this state if (1) the interest in the association is owned by a person who for more than three years has neither claimed a dividend or other sum referred to in subdivision (a) nor corresponded in writing with the association or otherwise indicated an interest as evidenced by a memorandum or other record on file with the association, and (2) the association does not know the location of the owner at the end of the three-year period. With respect to the interest, the business association shall be deemed the holder.

(c) Subject to Section 1510, any dividends or other distributions held for or owing to a person at the time the stock or other security to which they attach escheats to this state also escheat to this state as of the same time.

(d) If the business association has in its records an address for the apparent owner, which the business association's records do not disclose to be inaccurate, with respect to any interest that may escheat pursuant to subdivision (b), the business association shall make reasonable efforts to notify the owner by mail or, if the owner has consented to electronic notice, electronically, that the owner's interest in the business association will escheat to the state. The notice shall be given not less than 6 nor more than 12 months before the time the interest in the business association becomes reportable to the Controller in accordance with this chapter. The face of the notice shall contain a heading at the top that reads as follows: "THE STATE OF CALIFORNIA REQUIRES US TO NOTIFY YOU THAT YOUR UNCLAIMED PROPERTY MAY BE TRANSFERRED TO THE STATE IF YOU DO NOT CONTACT US," or substantially similar language. The notice required by this subdivision shall specify the time that the interest will escheat and the effects of escheat, including the necessity for filing a claim for the return

The notice required by this section shall, in boldface type or in a font a minimum of two points larger than the rest of the notice, exclusive of the heading, (1) specify that since the date of last activity, or for the last two years, there has been no owner activity on the deposit, account, shares, or other interest; (2) identify the deposit, account, shares, or other interest by number or identifier, which need not exceed four digits; (3) indicate that the deposit, account, shares, or other interest is in danger of escheating to the state; and (4) specify that the Unclaimed Property Law requires business associations to transfer funds of a deposit, account, shares, or other interest if it has been inactive for three years. It shall also include a form, as prescribed by the Controller, by which the owner may confirm the owner's current address. If that form is filled out, signed by the owner, and returned to the holder, it shall be deemed that the business association knows the location of the owner. In lieu of returning the form, the business association may provide a telephone number or other electronic means to enable the owner to contact the association. With that contact, as evidenced by a memorandum or other record on file with the business association, the business association shall be deemed to know the location of the owner. The business association may impose a service charge on the deposit, account, shares, or other interest for this notice and form in an amount not to exceed the administrative cost of mailing or electronically sending the notice and form, and in no case to exceed two dollars (\$2).

(e) In addition to the notice required pursuant to subdivision (d), the holder may give additional notice as described in subdivision (d) at any time between the date of last activity by, or communication with, the owner and the date the holder transfers the deposit, shares, or other interest to the Controller.

§1518. When Fiduciary Property Escheats to State

(a) (1) All tangible personal property located in this state and, subject to Section 1510, all intangible personal property, including intangible personal property maintained in a deposit or account, and the income or increment on such tangible or intangible property, held in a fiduciary capacity for the benefit of another person escheats to this state if for more than three years after it becomes payable or distributable, the owner has not done any of the following:

- (A) Increased or decreased the principal.
- (B) Accepted payment of principal or income.
- (C) Corresponded in writing concerning the property.
- (D) Otherwise indicated an interest in the property as evidenced by a memorandum or other record on file with the fiduciary.

(2) Notwithstanding paragraph (1), tangible or intangible property, and the income or increment on the tangible or intangible property, held in a fiduciary capacity for another person shall not escheat to the state if the requirements of subparagraphs (A) and (B) are satisfied.

- (A) During the previous three years, the fiduciary took one of the following actions:

(i) Held another deposit or account for the benefit of the owner.
 (ii) Maintained a deposit or account on behalf of the owner in an individual retirement account.
 (iii) Held funds or other property under a retirement plan for a self-employed individual, or similar account or plan, established pursuant to the internal revenue laws of the United States or the laws of this state.

"Communications," for purposes of this subparagraph, includes account statements or statements required under the internal revenue laws of the United States.

(b) Funds in an individual retirement account or a retirement plan for self-employed individuals or similar account or plan established pursuant to the internal revenue laws of the United States or of this state are not payable or distributable within the meaning of subdivision (a) unless either of the following is true:

(1) Under the terms of the account or plan, distribution of all or part of the funds would then be mandatory.

(2) For an account or plan not subject to mandatory distribution requirement under the internal revenue laws of the United States or the laws of this state, the owner has attained 70^{1/2} years of age.

(c) For the purpose of this section, when a person holds property as an agent for a business association, he or she is deemed to hold the property in a fiduciary capacity for the business association alone, unless the agreement between him or her and the business association clearly provides the contrary. For the purposes of this chapter, if a person holds property in a fiduciary capacity for a business association alone, he or she is the holder of the property only insofar as the interest of the business association in the property is concerned and the association is deemed to be the holder of the property insofar as the interest of any other person in the property is concerned.

§1519. Property Held by Government or Governmental Subdivision or Agency

It is the intent of the Legislature that the provisions of this section shall apply retroactively to all funds held by business associations on or after January 1, 1977, and which remain undistributed by the business association as of the effective date of this act. Further, it is the intent of the Legislature that nothing in this section shall be construed to change the authority of a court or administrative agency to order equitable remedies.

§1520. Other Tangible and Intangible Property

All tangible personal property located in this state and, subject to Section 1510, all intangible personal property, except property of the classes mentioned in Sections 1511, 1513, 1514, 1515, 1515.5, 1516, 1517, 1518, 1519, and 1521, including any income or increment thereon and deducting any lawful charges, that is held or owing in the ordinary course of the holder's business and has remained unclaimed by the owner for more than three years after it became payable or distributable escheats to this state.

(b) Except as provided in subdivision (a) of Section 1513.5, subdivision (b) of Section 1514, and subdivision (d) of Section 1516, if the holder has in its records an address for the apparent owner of property valued at fifty dollars (\$50) or more, which the holder's records do not disclose to be inaccurate, the holder shall make reasonable efforts to notify the owner by mail or, if the owner has consented to electronic notice, electronically, that the owner's property will escheat to the state pursuant to this chapter. The notice shall be mailed not less than 6 nor more than 12 months before the time when the owner's property held by the business becomes reportable to the Controller in accordance with this chapter. The notice required by this subdivision shall specify the time when the property will escheat and the effects of escheat, including the need to file a claim in order for the owner's property to be returned to the owner. The notice required by this section shall, in boldface type or in a font a minimum of two points larger than the rest of the notice, exclusive of the heading, (1) specify that since the date of last activity, or for the last two years, there has been no owner activity on the deposit, account, shares, or other interest; (2) identify the deposit, account, shares, or other interest by number or identifier, which need not exceed four digits; (3) indicate that the deposit, account, shares, or other interest is in danger of escheating to the state; and (4) specify that the Unclaimed Property Law requires holders to transfer funds of a deposit, account, shares, or other interest if it has been inactive for three years. It shall also include a form, as prescribed by the Controller, by which the owner may confirm the owner's current address. If that form is filled out, signed by the owner, and returned to the holder, it shall be deemed that the account, or other device in which the owner's property is being held, remains currently active and recommences the escheat period. In lieu of returning the form, the holder may provide a telephone number or other electronic means to enable the owner to contact the holder. With that contact, as evidenced by a memorandum or other record on file with the holder, the account or other device in which the owner's property is being held shall be deemed to remain currently active and shall recommence the escheat period. The holder may impose a service charge on the deposit, account, shares, or other interest for this notice in an amount not to exceed the administrative cost of mailing or electronically sending the notice and form, and in no case to exceed two dollars (\$2).

(c) In addition to the notice required pursuant to subdivision (b), the holder may give additional notice as described in subdivision (b) at any time between the date of last activity by, or communication with, the owner and the date the holder transfers the property to the Controller.

(d) For purposes of this section, "lawful charges" means charges which are specifically authorized by statute, other than the Unclaimed Property Law, or by a valid, enforceable contract.

§1520.5. Gift Certificates

Section 1520 does not apply to gift certificates subject to Title 1.4A (commencing with Section 1749.45) of Part 4 of Division 3 of the Civil Code. However, Section 1520 applies to any gift certificate that has an expiration date and that is given in exchange for money or any other thing of value.

§1521. Employee Benefit Trust Distributions

(a) Except as provided in subdivision (b), and subject to Section 1510, all employee benefit plan distributions and any income or other increment thereon escheats to the state if the owner has not, within three years after it becomes payable or distributable, accepted the distribution, corresponded in writing concerning the distribution, or otherwise indicated an interest as evidenced by a memorandum or other record on file with the fiduciary of the trust or custodial fund or administrator of the plan under which the trust or fund is established. As used in this section, "fiduciary" means any person exercising any power, authority, or responsibility of management or disposition with respect to any money or other property of a retirement system or plan, and "administrator" means the person specifically so designated by the plan, trust agreement, contract, or other instrument under which the retirement system or plan is operated, or if none is designated, the employer.

(b) Except as provided in subdivision (c), an employee benefit plan distribution and any income or other increment thereon shall not escheat to this state if, at the time the distribution shall become payable to a participant in an employee benefit plan, the plan contains a provision for forfeiture or expressly authorizes the administrator to declare a forfeiture of a distribution to a beneficiary thereof who cannot be found after a period of time specified in the plan, and the trust or fund established under the plan has not terminated prior to the date on which the distribution would become forfeitable in accordance with the provision.

(c) A participant entitled to an employee benefit plan distribution in the form of residuals shall be relieved from a forfeiture declared under subdivision (b) upon the making of a claim therefor.

§1522. Deduction of Fees

No service, handling, maintenance or other charge or fee of any kind which is imposed because of the inactive or unclaimed status contemplated by this chapter, may be deducted or withheld from any property subject to escheat under this chapter, unless specifically permitted by this chapter. Even when specifically permitted by this chapter, such charges or fees may not be excluded, withheld or deducted from property subject to this chapter if, under its policy or procedure, the holder would not have excluded, withheld or deducted such charges or fees in the event the property had been claimed by the owner prior to being reported or remitted to the Controller.

§1523. Escheat of Prop. 103 Insurance Rebates to State; Deposit into Insurance Fund for Specified Disbursement

If an insurer, after a good faith effort to locate and deliver to a policyholder a Proposition 103 rebate ordered or negotiated pursuant to Section 1861.01 of the Insurance Code, determines that a policyholder cannot be located, all funds attributable to that rebate escheat to the state and shall be delivered to the Controller. The funds subject to escheat on or after July 1, 1997, shall be transferred by the Controller to the Department of Insurance for deposit in the Insurance Fund in the following amounts and for the following purposes:

§1532. Delivery of Property to Controller; Electronic Funds Transfer

(a) Every person filing a report as provided by Section 1530 shall, no sooner than seven months and no later than seven months and 15 days after the final date for filing the report, pay or deliver to the Controller all escheated property specified in the report. Any payment of unclaimed cash in an amount of at least twenty thousand dollars (\$20,000) shall be made by electronic funds transfer pursuant to regulations adopted by the Controller. The Controller may postpone the date for payment or delivery of the property, and the date for any report required by subdivision (b), upon his or her own motion or upon written request by any person required to pay or deliver the property or file a report as required by this section.

(b) If a person establishes his or her right to receive any property specified in the report to the satisfaction of the holder before that property has been delivered to the Controller, or it appears that, for any other reason, the property may not be subject to escheat under this chapter, the holder shall not pay or deliver the property to the Controller but shall instead file a report with the Controller, on a form and in a format prescribed or approved by the Controller, containing information pertaining to the property subject to escheat.

(e) Payment of any intangible property to the Controller shall be made at the office of the Controller in Sacramento or at another location as the Controller by regulation may designate. Except as otherwise agreed by the Controller and the holder, tangible personal property shall be delivered to the Controller at the place where it is held.

(f) Payment is deemed complete on the date the electronic funds transfer is initiated if the settlement to the state's demand account occurs on or before the banking day following the date the transfer is initiated. If the settlement to the state's demand account does not occur on or before the banking day following the date the transfer is initiated, payment is deemed to occur on the date settlement occurs.

(g) Any person required to pay cash by electronic funds transfer who makes the payment by means other than an authorized electronic funds transfer shall be liable for a civil penalty of 2 percent of the amount of the payment that is due pursuant to this section, in addition to any other penalty provided by law. Penalties are due at the time of payment. If the Controller finds that a holder's failure to make payment by an appropriate electronic funds transfer in accordance with the Controller's procedures is due to reasonable cause and circumstances beyond the holder's control, and occurred notwithstanding the exercise of ordinary care and in the absence of willful neglect, that holder shall be relieved of the penalties.

(h) An electronic funds transfer shall be accomplished by an automated clearinghouse debit, an automated clearinghouse credit, a Federal Reserve Wire Transfer (Fedwire), or by an international funds transfer. Banking costs incurred by the state for the automated clearinghouse credit transaction may be paid by the holder originating the credit. Banking costs incurred for the Fedwire transaction charged to the holder and the state shall be paid by the person originating the transaction. Any person who pays or delivers escheated property to the Controller under this chapter and who, prior to escheat, if the person's records contain an address for the apparent owner, which the holder's records do not disclose to be inaccurate, has made reasonable efforts to notify the owner by mail or, if the owner has consented to electronic notice, electronically, in substantial compliance with Sections 1513.5, 1514, 1516, and 1520, that the owner's property, deposit, account, shares, or other interest will escheat to the state, is relieved of all liability to the extent of the value of the property so paid or delivered for any claim which then exists or which thereafter may arise or be made in respect to the property. Property removed from a safe deposit box or other safekeeping repository shall be received by the Controller subject to any valid lien of the holder for rent and other charges, such rent and other charges to be paid out of the proceeds remaining after the Controller has deducted therefrom his or her selling cost.

(b) Any holder who has paid moneys to the State Controller pursuant to this chapter may make payment to any person appearing to such holder to be entitled thereto, and upon filing proof of such payment and proof that the payee was entitled thereto, the Controller shall forthwith reimburse the holder for the payment without deduction of any fee or other charges. Where reimbursement is sought for a payment made on a negotiable instrument (including a travelers check or money order), the holder shall be reimbursed under this subdivision upon filing proof that the instrument was duly presented to him or her and that payment was made thereon to a person who appeared to the holder to be entitled to payment.

(c) The holder shall be reimbursed under this section even if he made the payment to a person whose claim against him was barred because of the expiration of any such period of time as those described in Section 1570.

(d) Any holder who has delivered personal property, including a certificate of any interest in a business association, to the Controller pursuant to this chapter may reclaim such personal property if still in the

possession of the Controller without payment of any fee or other charges upon filing proof that the owner thereof has claimed such personal property from such holder. The Controller may, in his or her discretion, accept an affidavit of the holder stating the facts that entitle the holder to reimbursement under this subdivision as sufficient proof for the purposes of this subdivision.

§1561. Escheated Property Claimed From Holder — Property Redelivered on Mistake of Law or Fact

(a) If the holder pays or delivers escheated property to the State Controller in accordance with this chapter and thereafter any person claims the property from the holder or another state claims the property from the holder under that state's laws relating to escheat, the State Controller shall, upon written notice of such claim, defend the holder against the claim and indemnify him against any liability on the claim.

(b) If any holder, because of mistake of law or fact, pays or delivers any property to the State Controller that has not escheated under this chapter and thereafter claims the property from the State Controller, the State Controller shall, if he has not disposed of the property in accordance with this chapter, refund or redeliver the property to the holder without deduction for any fee or other charge.

However, no sale shall be made pursuant to this subdivision until 18 months after the final date for filing the report required by Section 1530. The Controller may decline the highest bid and reoffer the property for sale if he or she considers the price bid insufficient. The Controller need not offer any property for sale if, in his or her opinion, the probable cost of sale exceeds the value of the property. The Controller shall execute all documents necessary to complete the transfer of title.

§1564. Purposes of Expenditures from Abandoned Property Account

(c) At the end of each month, or more often if he or she deems it advisable, the Controller shall transfer all money in the Abandoned Property Account in excess of fifty thousand dollars (\$50,000) to the General

Fund. Before making this transfer, the Controller shall record the name and last known address of each person appearing from the holders' report to be entitled to the escheated property and the name and last known address of each insured person or annuitant, and with respect to each policy or contract listed in the report of a life insurance corporation, its number, and the name of the corporation.
