

CREDIT CARD MERCHANT SERVICES

Vantiv now Worldpay and UTA are experts in Business-to-Business card acceptance and are the nation's 2nd largest purchase transaction acquirer (March 2016 Nilson Report). Whether your concern is reducing fees, interchange management, PCI compliance, or another critical topic, allow us to work with you to examine ways that we can help process payments more efficiently while minimizing your risk and processing expenses

Our focus and expertise include the following:

- Apply surcharge fees to most Visa, MasterCard, Discover, American Express payments
- Eliminate compliance exposure
- Smart surcharge calculation will apply the fee automatically
- Card validation occurs at the point of entry so that only qualified payments are surcharged
- Surcharging notification and disclosure requirements will be provided
- No software to purchase
