The AMS platform is free to members who contribute their data. This tool is for NACM members only and are supported nationally across the NACM affiliates by our members and trade groups, constantly updated with new and refreshed data daily to help you be on the pulse of change within your portfolio of customers.

- **The Account Monitoring System** allows you to set the **criteria that you want** to be notified about; aging buckets, public record, collections, etc.
- **Members can subscribe** to the Account Monitor Service (AMS) by submitting specific criteria to NACM Commercial Services.
- **Members can receive email notification** and log into the NTCR website to view their custom list.

Account Monitor Service (AMS)

Members Provide the Criteria—NACM Provides the Technology

Do you want to know when accounts go past due or legal with other suppliers? Members can subscribe to the Account Monitor Service (AMS) by submitting specific criteria to a participating NACM Affiliate. Members can receive email notification and log into the Affiliate website to view their custom list.
