

Equifax Business Credit Reports

When it comes to credit reports, you have options to complete your review. Have you looked at an Equifax report recently?

Equifax business reports provides a deep dive into the insight of the validity, financial stability, and performance of a business. Depending upon which report is right for your specific situation, you may receive the following types of information:

- Firmographics (aka business demographics)
- Public records, such as judgments, liens, UCCs and bankruptcies
- Trade payment history
- Financial payment history
- Corporate family trees and identifying information for each business level.
- Small business owner and/or guarantors associated with the business.
