

CREDIT CARD SURCHARGING

A credit card "surcharge" is an additional fee that a merchant may pass on to a customer when a credit card is used for payment. In the past, the major credit card companies prohibited surcharging. Now, it's permitted and UTA/**worldpay** has the industry-leading compliant solution.

worldpay

Eliminate the cost of expensive credit card acceptance fees, while adhering to compliance requirements, by using UTA's surcharging solution for credit card payments accepted over the phone, at the Point of Sale or for Online Bill Payment.

- Apply surcharge fees to qualified Visa, MasterCard, Discover, American Express payments
- UTA/**worldpay** provides superior card network compliance
- Compliant surcharge solution will calculate and apply the fee automatically
- Card validation occurs at the point of card entry so that only qualified payments are surcharged
