Come for some Brushstrokes and Bites

NACM CS Foundation is hosting our very first Paint and Taste. Come join your fellow NACM members and guests for an evening of fun, networking, and more in this live instructor lead, fall-themed, painting party even for the novice of painters.

Hors d'oeuvres paired with wine tasting will elevate the level of relaxation as we laugh and unwind from the day. Raffles, Silent Auction, and other winning opportunities will make the event a pleasurable experience you should not miss.

So, grab your team and join us. Tickets are \$55 each, discounted rates for groups of 5 or more from the same organization. Contact NACM for details.
